

**UT COMPARATIVE AND EXPERIMENTAL MEDICINE GRADUATE PROGRAM  
APPLICATION FOR CEM FACULTY APPOINTMENT**

Active CEM faculty members are expected to serve on graduate student committees, teach courses at the graduate level, serve as the primary mentor/major professor for graduate students, direct dissertations, coordinate/proctor comprehensive exams, and/or provide financial support for students. Appointments will be reviewed every 5 years.

Please complete and return the **form** below with a **curriculum vitae** that includes the following: 1) A record of college teaching (institution and dates); 2) Courses taught at the graduate level and frequency in the past five years; 3) Titles, dates, and name of student for any theses or dissertations directed within the past five years; 4) Peer-reviewed publications in a complete and standard reference style; 5) Record of grants received.

**Send to Dr. Stephen Kania ([skania@utk.edu](mailto:skania@utk.edu))  
CEM, 2407 River Dr., Rm. A102, Knoxville, TN 37996**

1. Name:  2. Department:
3. Current rank or title:  4. Date rank acquired:
5. Tenured status:  6. Date tenure acquired, if applicable:
